Bemestingshandleiding 8st Hersiene Uitgawe 2016 <i>The Afrikaans version of the Fertilizer Handbook.</i>	R 750.00		
Fertilizer Handbook 7 th Revised Edition 2016 <i>This is a hard cover handbook that has primarily been written for the use of persons who are involved in some way or another in a fertilizer advisory capacity. It is not intended to be a complete technical handbook, but rather a concise presentation covering a wide range of topics. For this reason, interested farmers and students will also find it to be a useful guide. It is prescribed as part of the agricultural curriculum at some technikons and universities in South Africa.</i>	R 750.00
