

## **Dr Divan van der Westhuizen**

### *Insights to Navigate a Volatile and Uncertain Agricultural Environment*

---

Divan is a senior agricultural economist, analyst and a member of the leadership team at the Bureau for Food and Agriculture Policy (BFAP). He has managed the Farm and Production Analytics Division for the past thirteen years with extensive experience in value chain- and food systems related projects in sub-Saharan Africa. Apart from his formal duties, he has a passion for sustainable agricultural development and upliftment.

He obtained a PhD in agricultural economics, focusing on mechanization trends and adoption of tractor rental markets in sub-Saharan Africa.
